#### MISSION AND GOALS OF ST. JOSEPH'S COLLEGE

The mission of St. Joseph's College is to provide a strong academic and value-oriented education rooted in a liberal arts tradition that supports provision for career preparation and enhancement. The College aims in this way to prepare each student for a life characterized by integrity, intellectual and spiritual values, social responsibility, and service—a life that is worthy of the College's motto, *Esse non videri*: "To be and not to seem."

Independent and coeducational, St. Joseph's College provides affordable private education that serves a diverse population of academically eligible students who live within commuting distance of either the Brooklyn or Suffolk Campus.

St. Joseph's College affirms the dignity, freedom, and inherent value of each person. This affirmation is realized through a student-centered environment wherein the faculty's primary commitment is to excellence in teaching. In this open, supportive atmosphere, students are challenged to develop their full potential and are encouraged to acquire a spirit of inquiry and a joy in learning.

Chartered by the Regents of the University of the State of New York on February 24, 1916, St. Joseph's College for Women, as it was then known, held its first classes at 286 Washington Avenue, located in the Clinton Hill section of Brooklyn. Two years later, having outgrown its original facility, the College moved to the present site of the main campus at 245 Clinton Avenue in Brooklyn. In recognition of its evident success, stability and soundness of program, the Regents granted St. Joseph's College an Absolute Charter in 1929. Reverend William T. Dillon, J.D., Professor of Philosophy, Dean of the College, and later its President, guided its growth during the significant years that followed. The College was accredited in 1928 by the Commission on Higher Education of the Middle States Association of Colleges and Secondary Schools. Maintaining high standards of academic excellence, professional competence, and a notable spirit of community service, the College drew increasing numbers of young women. Having pioneered in the study of Child Development, St. Joseph's opened a laboratory pre-school in 1934.

Sister Vincent Therese Tuohy assumed the presidency in 1956. Under her leadership, the long term development program for the College was concretized in the erection of two facilities. McEntegart Hall, a multi-functional building housing the library and classrooms, was opened in 1965; the Dillon Child Study Center followed in 1968.

Sister George Aquin O'Connor was elected President and assumed responsibility on July 1, 1969. In 1970, a Charter amendment changed the name to St. Joseph's College, New York and enabled the College to admit the first men students to full matriculation. On February 2, 1971, St. Joseph's College inaugurated an extension program in Suffolk County in the collegiate center formerly known as Brentwood College, and moved to develop a degree program in Brentwood oriented to the third and fourth years of college. This Upper Division baccalaureate program opened in September, 1972, and the Board of Regents of the State of New York authorized St. Joseph's College to join C.W. Post Center, L.I.U., in a Coordinate Campus program, the first such pattern adopted in the State. In 1976 on petition of the Trustees, this Suffolk County operation was authorized by the Regents to operate as a branch campus of St. Joseph's College. In 1978 St. Joseph's College expanded its operation at the Suffolk Branch Campus to a full four-year program, and in 1979 moved to a new twenty-five acre lake-side campus in Patchogue.

A continuing education program, which over many years had provided courses for adults on a non-matriculated basis in the early 1970's developed a more clearly defined program for non-traditional and/or career-oriented adults interested in earning a degree. In April 1974, the College registered with the New York State Education Department the Bachelor of Science in General Studies. This program and additional programs designed for adult professionals are administered by the Division of General Studies, with courses offered in Brooklyn, at the Suffolk Branch, and at the extension sites.

## THIS IS THE TIME

WE WALKED ON THE BEACH BESIDE THAT OLD HOTEL THEY'RE TEARING IT  
DOWN NOW BUT IT'S JUST AS WELL I HAVEN'T SHOWN YOU EVERYTHING A  
MAN CAN DO SO STAY WITH ME BABY I'VE GOT PLANS FOR YOU

THIS IS THE TIME TO REMEMBER CAUSE IT WILL NOT LAST FOREVER.  
THESE ARE THE DAYS TO HOLD ONTO CAUSE WE WON'T ALTHOUGH WE WANT  
TO. THIS IS THE TIME BUT TIME IS GONNA CHANGE YOU'VE GIVEN ME THE  
BEST OF YOU AND NOW I NEED THE REST OF YOU.

DID YOU KNOW THAT BEFORE YOU CAME INTO MY LIFE IT WAS SOME KIND  
OF MIRACLE THAT I SURVIVED. SOMEDAY WE'LL BOTH LOOK BACK AND HAVE  
TO LAUGH. WE LIVED THROUGH A LIFETIME IN THE AFTERMATH. (CHORUS)

SOMETIMES IT'S SO EASY TO LET A DAY SLID ON BY WITHOUT EVEN SEEING  
EACH OTHER AT ALL BUT THIS IS A TIME THAT YOU'LL TURN BACK TO AND  
SO WILL I AND THOSE WILL BE DAYS YOU CAN NEVER RECALL AND SO WE  
EMBRACE AGAIN BEHIND THE DUNES. THIS BEACH IS SO COLD ON WINTER  
AFTERNOONS BUT HOLDING YOU CLOSE IS LIKE HOLDING THE SUMMER SUN.  
I'M WARM FROM THE MEMORIES OF DAYS TO COME.

THIS IS THE TIME TO REMEMBER, CAUSE IT WILL NOT LAST FOREVER.  
THESE ARE THE DAYS TO HOLD ONTO CAUSE WE WON'T ALTHOUGH WE WANT  
TO. THIS IS THE TIME BUT TIME IS GONNA CHANGE YOU'VE GIVEN ME THE  
BEST OF YOU. BUT I NEED THE REST OF YOU.

After losing both the captain of the men's and women's teams, the bowling team needed to do a great deal of reorganization. This year the team had hoped to compete on a competitive level.
